## UNIFORM ORDERING

For many years we have used Kathryn Billings as our uniform provider. Last year Kathryn decided to retire and she recommended a company named Mapac to us. We have now been using them for several months. Mapac have an online service where you order the uniform from their website. We have decided to move with the times and change to this system before the end of the summer term. We still have some uniform in school that can be purchased in the normal way but when this stock has gone you will have to order online. We will send out more information when the website is up and running.
