24th January 2019

Dear Parents/Carers

Pupils in Chester and Halton classes will be visiting Techniquet in Wrexham on **Tuesday 12th March**. Children will be experiencing two workshops offered by Techniquet as well as access to their range of interactive science discovery activities in the centre.

The first workshop will be based around forces and will link to the science work children have been completing in school. The second workshop will be based on computing and will help the children to build upon skills they have learnt, as well as expanding and broadening these.

Pupils will leave school at 09:15am and return to school ready to be collected at 3:00pm.

We are asking for a voluntary contribution of **£7.00** per pupil towards the cost. Unfortunately, if there are not enough voluntary contributions received by **Friday 1st March** this trip will have to be cancelled.

All pupils will need a packed lunch. All pupils are entitled to Free School Meals so they will be given a packed lunch from school. However, you can send your child with a packed lunch from home if you would prefer to. If this is the case, please ensure that the packed lunch is brought in a named plastic bag which can be thrown away once the children have finished their lunch. Please let us know if you will be providing your own packed lunch so that we know how many to make.

Please ensure pupils are wearing their full school uniform on this day with comfortable shoes and a waterproof coat.

Can you please complete the Educational Consent Form. Unfortunately if this is not completed your child will be unable to go on the trip. .

We look forward to a wonderful day, many thanks for your support,

Yours sincerely

Ms H Melarangi
Headteacher
